DELAWARE COUNTY HOMEOWNERSHIP FIRST PROGRAM 
FOR REVITALIZATION PROGRAM COMMUNITIES 
CHESTER COMMUNITY IMPROVEMENT PROJECT

Dear First Time Buyer:

Thank you for your recent inquiry regarding the Delaware County Homeownership First Program for Revitalization Program communities. The purpose of the Program is to provide assistance to qualified low and moderate-income families interested in purchasing their first home in Revitalization Program communities (See attached chart). The Program provides financial assistance toward the down payment and with the closing costs associated with home purchase.

Not everyone is eligible for this unique Program. To qualify, you must be 18 years of age or older, and have not owned property (or had a deed in your name) for three (3) years prior to the date of application. You may also qualify if you are a displaced homemaker.

Your household's income must fall at or below the income limits outlined on the attached chart. Funds are only available for those households with an income at or below 80% of the Median Family Income (MFI). Furthermore, applicants may not have signed an Agreement of Sale for any property prior to undergoing group and individual counseling, the Agreement of Sale reviewed by counseling agency and issuing a Letter to the Realtor.

It is necessary that you provide at least $1,000 towards the down payment of a home. You must also complete homeownership counseling classes and all other program requirements. The amount of assistance for which you would qualify is based on your individual circumstances as determined by your application and your initial interview. The funds are 0% interest loans, which must be repaid upon the future sale or transfer of the property. The loan will be forgiven after five years. In addition, the County will only subordinate for the refinancing of the existing first mortgage to a lower interest rate. The new loan amount cannot exceed the existing principal amount plus closing costs associated with the new first mortgage. The County will not subordinate for any type of home equity or debt consolidation loan and will require that all County funds be returned to the County upon the settlement of any such loan.

If you are interested in this Program and qualify within the attached income guidelines, please complete the enclosed Qualification Form, Counseling Agreement and Homeownership First Acknowledgment Form. Be sure to include all requested documentation with your application and mail (DO NOT FAX) the package to:

IMPORTANT NOTICE

Due to Lead Based Paint Hazard regulations, the Delaware County Homeownership First Revitalization Program cannot accept properties that have deteriorated interior or exterior painted surfaces. The regulations define deteriorated paint as “any interior or exterior or other coating that is peeling, chipping, chalking, or any paint or coating located on an interior or exterior surface or fixture that is otherwise damaged or separated from the substrate.”

These regulations have serious ramifications for all Delaware County Homeownership First applicants and clients. If your selected property (with a CCIP approved Agreement of Sale) fails item 11. Lead Based Paint on the HQS inspection form, it will no longer be considered an eligible property for the program. You will need to begin shopping for another home. You will not be reimbursed for the cost of the initial home inspection. If, in spite of the LBP regulation, you elect to purchase the failing property, you will forfeit any and all financial assistance from the Delaware County Homeownership First Revitalization Program.
